With a stated purpose of “encouraging pastors, ministers and church leaders with tools and resources for growing healthy churches,” this web site is devoted to providing quality resources. Resources include leadership training materials from Rick Warren, founding pastor of Saddleback Christian Church in Southern California. Saddleback began in his home with two families and now has 16,000 in attendance each weekend. He is well known for his Purpose-Driven Church paradigm and related books and trainings.

Pastors.com provides a link to resources and access to a weekly free email newsletter called “Rick Warren’s Ministry Toolbox”.
