

The name on the boxes has changed over the years, but the mission has remained the same—

Women practicing the spiritual discipline of giving in gratitude for God's blessings. No matter the value of the coin, these offerings have significant impact on ministry and mission.

Help your IDWM Executive Committee realize the dream of putting a Blessing Box in the hands of every woman in a Disciples of Christ congregation. Blessing Boxes are available at the web site's online store. Visit www.discipleswomen.org for purchases and promotional materials.
