

# Disciples Home Missions Ministries

## Purpose:

- Disciples Home Missions is committed to equipping disciples for Christ and connecting people to the life changing love of God.
- Disciples Home Missions is the coordinating ministry of the Christian Church (Disciples of Christ) in the area of congregational program and mission in North America.
- DHM's priorities are Leader Development, Congregational Transformation, Faith Formation, Pro-reconciliation/Anti-Racism and Missions.

**Association of Disciple Musicians** is to increase the effectiveness of church musicians as they participate in the mission of the Church. The term "church musician" shall be interpreted to include all persons who lead or otherwise participate in church music by vocation or avocation. Kate Nelson, President. Check out what Disciple Musicians are doing at [www.adm-doc.org](http://www.adm-doc.org). Rev. Warren Lynn serves as DHM Liaison.

**The Office of Black Ministries (OBM)** The first priority of the director of Black Ministries is the care and nurture of African-American clergy in the Christian Church (Disciples of Christ). The Annual Black Ministers Retreat is our largest responsibility. OBM is responsible for supporting Seminarians, soliciting funds, receiving applications and administering scholarships such as the Star Supporter Fund, which specifically supports those entering the ministry and the African-American Scholarship Fund for those engaged in undergraduate studies. Utilizing our Regional partners, we engage with pastors and congregations into the Search and Call process, striving to achieve matches that will endure. The OBM is also available to act as mediator in those few situations when pastors and congregations have different perspectives. The OBM represents and embodies the Church's intention to welcome "all" to Christ's table. Rev. Dr. R. Wayne Calhoun, Sr., Executive for Evangelism & Congregational Transformation, Director of Black Ministries. [www.discipleshomemissions.org/black-ministries](http://www.discipleshomemissions.org/black-ministries)

**Christian Education** enables persons to participate in the life of the Christian community as informed worshipping and caring disciples of Christ. To be equipped and supported for living responsibly in the world as faith disciples of Christ. Equips persons to be effective leaders in the ministry of Christian education and to assist in the equipping of persons for leadership in other ministries of the church. Min. Sheila Spencer, Director Christian Education/Faith Formation, Assistant to the President. **Christian Vocations** The Office Of Christian Vocations is primarily focused on serving clergy who are working in vocational ministries roles. Whether clergy are serving in congregational or other institutional settings, as pastoral counselors or chaplains, or in some other setting – our office helps facilitate the clergy person's connection to the

Christian Church (Disciples of Christ). We also offer resources to connect, strengthen and transform each clergy person's ministry.

This is partially accomplished through our facilitation of the denominational Search and Call system, whereby clergy are helped to discern their current and next calls in ministry, as well as find connection to regions and congregations wherein ministry possibilities are available. This includes helping clergy interpret denominational policies and criteria regarding ministry in the denomination. In such, we offer a relational listening ear to facilitate an individual's vocational path within the denomination. And, we also maintain the official Ministers Directory database that lists all clergy who currently have standing within our denomination.

Through the Chaplains Endorsement Office of our ministry, chaplains and counselors are also actively supported, as they gain and maintain proper endorsements, and other credentials for service beyond the parish setting. The Chaplains Office, as part of our vocational ministries team, facilitates connectivity within the community of chaplains and counselors through a bi-annual retreat before each General Assembly, and works to support various chaplains in their often-challenging and ongoing calls.

One other example of our support is by way of our online Website to provide wellness and spiritual practice resources for clergy: Well-Fed Spirit ([www.wellfedspirit.org](http://www.wellfedspirit.org)). Well-Fed Spirit offers a broad spectrum of diverse spiritual resources that can be used for the spiritual growth and transformation of clergy, as well as used by clergy to facilitate the deepening spirituality of the communities they serve. Rev. Warren Lynn, Executive Minister for Christian Vocations. [www.discipleshomeissions.org/christian-vocation-search-call](http://www.discipleshomeissions.org/christian-vocation-search-call)

**Congregational Transformation** is the intentional spiritual journey that a congregation undertakes systemically in order to realize what God has called it to be as church and to do in mission in today's world. Transformation is a fundamental change in the congregation's conception and implementation of ministry. A transforming congregation will be oriented around mission to the unchurched, nurturing them into the loving caring fellowship of Christ. It will be notably different from one oriented primarily around ministering to members alone. The needs of members will still be met. In the context of a church in mission, everyone is important, church or yet-to-be churched. Rev. Dr. R. Wayne Calhoun, Sr., Executive for Evangelism & Congregational Transformation, Director of Black Ministries. [www.discipleshomeissions.org/transformation](http://www.discipleshomeissions.org/transformation)

**Disciples Advocate** is a publication which is published several times a year by Disciples Home Missions. The editors of the Disciples' Advocate welcome letters to the editor and advertisements from organizations listed in the Yearbook and Directory of the Christian Church (Disciples of Christ) in the United States and Canada. Stephen S. Bentley, Minister of Disciples Men. [www.discipleshomemissions.org/welcome-to-disciples-men](http://www.discipleshomemissions.org/welcome-to-disciples-men)

**Disciples Volunteering** supports and enhances servant missions and ministries of congregations. To this end, Disciples Volunteering continues to Call, Connect, Equip, and Send Servants and the Church for Service with the Community. By focusing its ministry on supporting local mission interests, developing servant leaders, and sending teams in mission, Disciples Volunteering is promoting a fundamental shift toward service and missions that are more sustainable, flexible, effective, and, ultimately, a better witness to our faith in action. Disciples serving community become better neighbors as we Get Dirty for Jesus. Josh Baird, Director of Disciples Volunteering. **Disciples Women (DW)**, as part of the Christian Church (Disciples of Christ) (DOC), welcomes all to the table as Christ has welcomed us. The ministries of DW are part of the movement for wholeness in a fragmented world by: providing opportunities for spiritual growth, enrichment, education and creative ministries to enable women to develop a sense of personal responsibility for the whole mission of the church of Jesus Christ.

Any woman who participates in any way within the DOC is considered a part of DW. We seek to be a network of women committed to the justice-seeking, compassion-focused mission of Jesus Christ with no membership requirement or condition.

Disciples women are invited to share the Good News through

**Evangelism** in a 21st century context is still the telling and sharing of the gospel (Good News) of Jesus Christ to those who have not encountered it yet. Evangelism means transitioning from “being saved” to “being transformed.” Evangelism is not about church membership anymore, but helping people come into discipleship. Outreach has now transformed into personal and congregational mission. For this reason, membership in a church no longer constitutes the goal. Effective sharing of our faith means our
