22nd Biennial Session
of the National Convocation
Houston, Texas July 26-30, 2012

Mark your calendars:
22nd Biennial Session of
National Convocation in
Houston, TX
July 26 to 29th, 2012

The purpose of Disciples Women is to provide opportunities for spiritual growth, enrichment, education and creative ministries to enable women to develop a sense of personal responsibility for the whole mission of the church of Jesus Christ and to provide a channel through which women in the congregation and the regional Women's Ministries in the United States and Canada may be joined in fellowship and find means for effective participation in the Christian Church (Disciples of Christ).

The Joy is in Giving and in the Living

Remember: *A stingy planter gets a stingy crop; a lavish planter gets a lavish crop. I want each of you to take plenty of time to think it over, and make up your own mind what you will give. That will protect you against sob stories and arm-twisting **God loves it when the giver delights in the giving.** 2 Corinthians 9: 5-7 (Message Bible)*

This summer the 2011 Woman-to-Woman Worldwide Delegation journeyed to the Republic of the Congo and the Democratic Republic of the Congo. It was a life changing experience for all of us and it reminded me of my first visit to the Congos last year.

Our Congolese family baptized us in love and drenched us with grace and hospitality. During service, the offering is truly a worship explosion, as men, women and children dance and joyfully give with their whole hearts. It is normal for the offering to last 45 minutes or more.

I remember asking one of our hosts about the offering. He shared, "God gives us life, air to breath, a place to stay and food to eat. God brought your group safely to us from across the waters. God who gives us everything, gives us the opportunity to give back to Him!"

Then he looked at our American delegation and said, "**But surely, as blessed as you are in America, your offering must take up two hours every Sunday.**" Not a single member was able to reply, I began to cry. From that moment, I have never viewed offering the same way. It is truly Worship.

The second journey to the Congo was another learning experience in offering. After preaching in a local congregation, the offering worship experience began again. My translator explained how the different offerings were used. But this time, I noticed a large basket was placed near the altar. People poured money, fruits, vegetables and food into the basket.

The translator looked at me and said, "This offering is for you." I began to cry and asked her if I could give it back to the congregation. She gently took my hand and said, "No, you must use it for yourself, you have poured out the Word of God to us and we must pour back into you." Another speechless moment.

The pastor presented the offering to me with a simple message,

"We are a house that wants to be blessed and never cursed, that is why we will always be a blessing to everyone who comes in this house."

Sisters, God has created us to be temples of blessing and we want to be blessed and never cursed, that is why we should always be blessings to everyone who comes to us.

Thankful,

Sheila J. Spencer

Disciples Women Give Thanks All Year Long

Blessing Boxes are a means of teaching the spiritual discipline of giving in gratitude for the gifts received from God. Since 1999, Blessing Boxes have contributed a total of \$2,663,882 for the mission of the church, with \$311,814 of that going to support women's ministries. The amount put in may be a quarter or more. The amount is not nearly as important as the discipline of regularly remembering God's goodness through the acts of dropping in coins and praying prayers of thanksgiving. For more information on Blessing Boxes —go to <http://www.discipleshomemissions.org/pages/DW-BlessingBox>

From The President.....
