Disciples Women's Endowment Fund Of the Christian Church (Disciples of Christ)

Disciples Women's Endowment Fund

The Disciples Women's Endowment Fund was established in 1990 as the Women's Endowment Fund to provide an opportunity for contributions to a permanent fund that benefits the work of Disciples Women in the United States and Canada. Funds are invested to keep pace with inflation and to produce a steady stream of income for women's ministries. Awarded through a grant application process semi-annually, interest on the fund's earnings is used to support new and on-going programming and ministry for women by the Disciples Women staff, regional, constituency and local congregations.

Why Have a Disciples Women's Endowment Fund?

Disciples Women have always been very active, committed, and ready to provide excellent leadership. Now, more than ever, the important components of women's efforts in the local church are:

- ◇ Leadership training
- ◇ Outreach ministries
- ◇ Faith development

The Disciples Women's Endowment Fund was created to provide for the needs of programs for women, and to offer a legacy beyond one's lifetime.

Planning a specific gift for the Disciples Women's Endowment Fund (DWEF) will help provide funds for programming of vital importance to women now and in the future.

Who Administers the Fund?

The Women's Endowment Fund is a permanent fund of the Christian Church Foundation. Distributions from interest earnings are allocated by a

rotating committee including representatives from International Disciples Women's Ministries and Disciples Women staff. A professional audit is made annually and a written report provided to the related women's organizations, and others upon request.
