

# CASP Eglantine Shelter Paris, France

## Woman-to-Woman Worldwide 2014 Service Project

Special focus  
for 2015

In 2014 a group of Disciples Women participated in a Woman-to Woman Worldwide pilgrimage, coordinated with Global Ministries, to Italy and France. The women were especially moved by the ministry of The Center for Protestant Social Action (CASP) and their Eglantine Women's Shelter in France, and chose this work to promote as they visit Disciples women around the U.S. and Canada and interpret their experiences during the coming period of study, prayer, reflection, and advocacy.

The Eglantine Women's Shelter welcomes pregnant and single women alone or with children facing significant need. They have the ability to house a total of 59 women and 89 children ages 0 to 16. The women work toward autonomy & independence.

The Shelter has a large multi-purpose room. This room welcomes resident organized events, after school tutoring courses, theme nights, and other activities. This room has a kitchenette and a computer area. The Shelter seeks funds to finance the remodeling of the multi-purpose room to better serve the residents.

The Disciple Woman-to-Woman Worldwide and Global Ministries welcome gifts for a remodeling project that is currently underway for the multi-purpose room. This woman and her baby would directly benefit from your donation.

### **The project includes:**

- Installing an open eating counter area in the kitchen area;
- Creating a reading corner with a library;
- Creating a multimedia space with updated computers; and
- Development of a functional space for resident organized events.
