Dear Disciples Clergy person,

This PDF document contains introductory and contact information for three different National Moving/Relocation Companies who have corporate discount and preferred service agreements with the Office of General Minister and President of the Christian Church (Disciples of Christ). As such, they've been allowed to serve Disciples clergy and congregations as "Preferred Movers" for our denomination.

Please know that while these companies are represented nationally, our agreements are only with the specific franchises/offices of each company, as noted in the information that accompanies this letter. To enquire about special rate/agreement services for your moving/relocation needs, including estimates and more, you should contact the specific franchise/office noted in the information. Each of the three companies noted should be able to serve you, regardless of your location.

If you have additional questions about these companies, please don't hesitate to contact me in the Office of Search and Call. I am here to serve. Thank you.

Sincerely,

The Rev. Warren P. Lynn and Ms. Anne Marie Moyars,

**Testimonial:**

"The Los Angeles Clippers and VIP Transport have had a wonderful relationship over the years. They have always been ready to assist us with the moves of several key players and have done so without a complaint from any of the players. That is an accomplishment worth commending; especially with the demands the NBA family places on them. We have a trust in VIP, which would be impossible to replace in this day and age. We trust them with our players, and our players trust them with their possessions. Not enough can be said about how much that means to our operation," -Los Angeles Clippers
