

Please check one of the numbered sections and complete the entire applicable section:

1. I am between ministerial employment and awaiting a new call. I elect the following option for my Pension Plan membership:
- Designate no salary for \_\_\_\_\_ months (maximum of three months), no dues payable.
  - I will remit (6% or 14% - circle one) dues personally after tax on a monthly salary of \$ \_\_\_\_\_.
- (Note: Must have current ministerial credentials on file to personally remit dues.)**

2. I am/will be employed by a **501(c)3 not-for-profit organization.**

My new employer is:

Employer Name \_\_\_\_\_

Remitting Officer \_\_\_\_\_

Address \_\_\_\_\_

Effective Date \_\_\_\_\_

My new *ministerial* salary is \$ \_\_\_\_\_ per year.

I elect the following option for my Pension Plan membership:

- My employer will contribute 14% Pension Plan dues over and above salary.
- My employer will remit 14% Pension Plan dues pre-tax through salary reduction.
- I will remit (6% or 14% - circle one) dues personally after tax.

3. I am/will be employed by a **for-profit company.**

My new employer is:

Employer Name \_\_\_\_\_

Remitting Officer \_\_\_\_\_

Address \_\_\_\_\_

Effective Date \_\_\_\_\_

My new *ministerial* salary is \$ \_\_\_\_\_ per year.

I elect the following option for my Pension Plan membership:

- I will remit (6% or 14% - circle one) dues personally after tax.
- Note: Contributions are limited to 14% of earned income from ministerial duties.*

4. I am choosing to allow my Pension Plan membership to go to **Voluntary Inactive Status**. I understand that death and disability benefits are not in force under this option but my retirement pension credits are fixed at the point where dues ceased. Thus a retirement pension is payable in the amount of the fixed pension credits and a surviving spouse pension of one-half of that amount is payable, even if my death occurs prior to retirement. Special Apportionments are added as they are granted.

5. I am **no longer employed in ministry**. Therefore, my Pension Plan membership will become **Inactive**. As a result, I understand that death and disability benefits are not in force under this option but my retirement pension credits are fixed at the point where dues ceased. Thus a retirement pension is payable in the amount of the fixed pension credits and a surviving spouse pension of one-half of that amount is payable, even if my death occurs prior to retirement. Special Apportionments are added as they are granted.
