Faith in Action: Creation Care and Climate Change

OUR CALLING

God created the earth and deemed it good (Gen 2:4b-9) and in Christ all things in heaven and on earth were created and are held together (Col 1: 15-20). As followers of Christ, we are called to love our neighbors as ourselves and care for God's creation. We share a common responsibility for the stewardship of God's good earth, as a matter of justice, so that it can sustain all species, peoples, and future generations.

Today, Disciples of Christ are called to bring our leadership to the moral challenge of climate change. Damage to our climate puts the health of our children and elderly at risk, hurts the poorest among us the most, and harms God's creation.

OUR RESPONSE

Together, we can make a difference. We can engage others in solutions that will create healthy and safe communities for our families, leave a thriving world for future generations, and protect God's creation.

GREEN CHALICE MINISTRIES AND BLESSED TOMORROW

Disciples' Green Chalice ministries supports congregations/assemblies with ideas and resources to walk more gently on the earth. We invite you to learn more about the Green Chalice Covenant and how to become a Chalice Certified Congregation at greenchalice.org.

Disciples and Green Chalice Ministries have partnered with [Blessed Tomorrow](#) to support our work for creation care and climate solutions. We invite you to join us in caring for God's creation. Because everything we do to stop pollution will create a healthier, more just world for all of us.

REDUCE YOUR IMPACT

Go to greenchalice.org to download our "Faith in Action" toolkit and webinar with steps to reduce pollution and engage others.

ENGAGE WITH OTHERS

- Join our Green Team (Green Team lead name, contact information, program information here)
- Subscribe to Green Chalice monthly newsletter at greenchalice.org. (or church newsletter)
- Learn more and join our partnership with Blessed Tomorrow here.

Carol Devine, Minister
Green Chalice
