**CALL-IN to SUPPORT CIW during the
WENDY'S SHAREHOLDER MEETING
TUESDAY, MAY 23rd - ALL DAY**

Call-in number is **888-624-8140**.

Possible script:

Hello, my name is _____ and I would like to leave a message for Mr. Todd Penegor. As a part of the National Farm Worker Ministry and as an ally of the Coalition of Immokalee Workers, I want Wendy's to know that I support the national boycott of Wendy's and will continue to do so until Wendy's signs the Fair Food Agreement. This agreement would protect the human rights of the farm workers who pick the tomatoes used in Wendy's meals. It would provide protections for farm workers in the Wendy's supply chain by providing them a voice in their working conditions and an avenue for reporting any abuses. Wendy's current Code of Conduct is meaningless without an agreement like this with farm workers who supply their vegetables. Wendy's, do the right thing. Join the Fair Food Program!
Thank You.
