**USED POSTAGE STAMPS HELP TO SUPPORT CHILDREN WITH DISABILITIES**

Launched more than 70 years ago, TUBFRIM has helped thousands of children with disabilities. Today the profits are used to help children with handicaps and youth in Norway, and to finance efforts to eradicate tuberculosis. Several hundred children benefit from the funds raised by TUBFRIM every year!

Since 1996, with help from many donors all over the country and Canada, Vegas Viking Lodge 6-152 has consistently donated over 200 pounds of stamps annually.

## **HELP US RAISE MONEY—SEND US YOUR STAMPS**

Please cut around the stamp instead of removing it from the envelope. When clipping stamps, please leave a 1/2 inch of paper around the edges. Damaged stamps cannot be sold. We are also happy to receive stamp collections, postcards, or commemorative envelopes as well.
