

# LIST OF HOUSE OF REPRESENTATIVES AND SENATE JUDICIARY COMMITTEE LEADERSHIP, & FULL HOUSE AND SENATE JUDICIARY COMMITTEE MEMBERS, BY STATE WITH TWITTER ADDRESSES AND PHONE NUMBERS

Notes:

\*Judiciary Committee Members, on both the House and Senate side, play key roles in discussions with the President to determine how many refugees will be resettled each year. This determination happens each year before the end of September.

\*Twitter is read frequently, often responded to quickly, and valued by Legislative Offices. Also, every phone call to a legislative office is counted, and reports about your comments are made by staff members to their legislators.

\*In addition to CALLING and using TWITTER to make your contacts, you are also invited to search online for the Facebook accounts of your legislators, and to communicate in that way, as well—although CALLS and TWEETS are given particular priority as “assessments” of constituent concerns.
