

# SAMPLE CALL SCRIPT AND TWEETS TO ENCOURAGE REFUGEE RESETTLEMENT

## Sample Call Script:

*"I'm your constituent from [CITY/TOWN], and I urge you to support the U.S. refugee resettlement program. I strongly oppose President Trump's continued Muslim and refugee bans, as well as the all-time low cap on refugee admissions. I urge you to do everything in your power to see that the administration resettle at least the 45,000 refugees they have set as the goal for 2018, and to ensure that the administration and Congress commit to resettling at least 75,000 refugees for 2019. Resettlement is a core American legacy that allows refugees to rebuild their lives in safety and dignity. And, it also demonstrates my strong faith value of hospitality.*

*I also call on you to do everything in your power to end family incarceration and family separation, and ensure immediate family reunification. Please reduce funding for the mass immigration detention, deportation, and border militarization that harms asylum seekers and prevents vulnerable populations from seeking protection in the U.S.*

*My community welcomes refugees and immigrants, and I urge you to do the same."*
