Site Overview:

RefugeeOne creates opportunity for refugees fleeing war, terror, and persecution to build new lives of safety, dignity, and self-reliance.

Every year, RefugeeOne serves more than 2,500 refugees and immigrants of all ages, ethnic groups, faiths, and backgrounds. Our primary focus is to assist these resilient individuals in becoming an independent, self-supporting member of their new community.

As the largest resettlement agency in Illinois, RefugeeOne has welcomed more than 18,000 refugees since 1982. RefugeeOne walks alongside refugees from the moment they land at O'Hare International Airport—welcoming them to Chicago and providing furnished apartments, English classes, job search support, mental health care, youth programming, and mentors
