

Dear Wild Woman of the West,

It is with saddened hearts that we have to let you know that the Wild Women of the West "Seeking God in the Desert" event, scheduled in Las Vegas for June 12-14, 2020, has been POSTPONED. We do not yet have a new date, but you will be the first to know when we do!!

Among many reasons, the WWOW 2020 planning committee felt it would be irresponsible to move forward with this event at this time for the health and safety of all coming to the event and for the members of the Las Vegas church that was to host us. Making this decision now will allow you to cancel or change your plans.

We have some information for you below, and we ask your patience with us as an all-volunteer committee in dealing with what comes next.

- First, the committee has decided that all registration fee payments will be refunded. If you do not need/want your fee refunded, we will donate it to the Three Square Food Bank of Las Vegas. We were planning to work there as our service project and they were going to cater our event. There is much need in Las Vegas now, as there is everywhere. So ... please DO NOT respond to this email or call anyone related to your refund. You will receive a separate email tomorrow with all the instructions and who to contact with questions. Thank you for your patience.
- Second, you must cancel your hotel and other travel arrangements yourself, unless you are booked at the Golden Nugget where the event had a room block. Rooms within the Disciples Women block at the Golden Nugget have been canceled.
- Lastly, if you donated toward the scholarship fund for other women to be able to attend, we will not refund that money unless you request it. We plan to hold it for scholarships toward the rescheduled event. The need for scholarship may be greater next time due to hardships people are experiencing now.

The same communication channels where you are hearing about this event will continue to be used. We will keep you informed via email and are willing to answer questions if we can. Our Facebook group remains the same: <https://www.facebook.com/groups/209436506640215/>

We pray you are well and remain so.

Peace,

Cathy Perring and Raiza Spratt
on behalf of the WWOW Planning Team
