

## Mission

Disciples of Christ connecting Christian faith, spiritual practice and creation consciousness in order to demonstrate the fullness of God's shalom.

## Join Green Chalice

1. Form a "Creation Care Team" in your place of ministry to evaluate, educate and guide stewardship of creation initiatives.
2. Adopt and sign the Green Chalice Covenant as a team, ministry, or congregation. ([greenchalice.org](http://greenchalice.org))
3. Inventory your ministry's creation care practices, make three changes,  
  
Email the Green Chalice minister the above information.

# GREEN CHALICE

## CHRISTIAN CHURCH (DISCIPLES OF

## CREATION CARE MINISTRY

***"The earth is the Lord's and  
all that is in it, the world,  
and those who live in it"-***

## Green Chalice Covenant

*As children of God and followers of Christ Jesus, we covenant to:*

**Worship** God with all creation and pray for the healing of the earth.

**Study** the climate crisis and engage others in climate solutions.

**Repent** and forgive for the harm we have inflicted on the earth that sustains life.

**Advocate** for ecojustice public policies and witness by living sustainable lifestyles.

**Rest** in God's good creation and invite others to delight in nature.

## Carbon Neutral by 2030

The 2017 General Assembly passed a resolution calling for the denomination to become Carbon Neutral by 2030. This requires a reduction of our energy consumption, using clean energy and supporting offsets. This is an opportunity to actively live our faith, support energy sovereignty, clean energy jobs and a thriving future for all God's people.

*"Environmental injustices, including climate change, have a disproportionate impact on communities of color and low income communities in the United States and around the world." NAACP Environment and Climate Justice*

## Save \$ and Energy

61% of energy in the U.S. goes to waste. These steps will save money and multiply resources for ministry.

**LED Lights:** Replace light bulbs with LED lights and cut lighting costs by 90%

**Insulate:** Windows, doors, water heaters, walls and ceilings. Cut HVAC costs by 50%

**Programmable Thermostats:** Install, program, and experience savings.

**Water:** Install sink aerators & low-flow toilets, Stop using plastic water bottles

**Transportation:** Carpool and encourage active transportation (biking and walking).

**Reduce:** Print less and on both sides of paper, email newsletters, & recycle

**Reuse:** Use real dishes and cloth napkins

## History

Eco-justice ministries in the Christian Church (Disciples of Christ) grew out of the 1977 General Assembly resolution that called for the development of a Task Force on Ecology who then wrote the Alverna Covenant. Eco-justice resolutions have been adopted at General Assemblies since 1971 helping Disciples connect creation care, social justice and their faith lives.

Around 185 Green Chalice Congregations and Ministries are living out their faith by caring for God's creation. To learn more and join the Green Chalice family, go to [greenchalice.org](http://greenchalice.org) and click Green Chalice Program.
