### Thanks to the 2022 Planning Team

With the 2022 ADM Conference almost totally organized with clinicians and option leaders ready to bring excitement and learning to all attendees, it was with great sadness that the conference had to be cancelled. Many thanks are extended to team members Alin Cass, Sara Collins, and Ed Varnum along with Council President, Katrina Cochran for all their efforts in putting together what would have been another stellar ADM conference.

### Planning for 2023 in progress

The 2022 Annual ADM Business Meeting was held on July 25 in Zoom format with 38 ADMers online. Katrina Cochran, Council President, called the meeting to order at 7:00 pm. In addition to the Secretary's report and approval of the 2021 & 2022 Meeting minutes, a Treasurer's report and ADM financial update was further explained by Lonna Owen, DHM Vice President for Finance. President, Katrina Cochran, then opened up the meeting for questions and comments from those attending. It was announced that ADM would be participating in the 2023 Christian Church's General Assembly on July 29-August 1 in Louisville, KY. Specific details will follow in future newsletters.

The first order of business during the meeting was to discuss the election of officers, and it was decided to accept Brad's resignation as president and elect Brenda to that position representing this year's team. With the cancellation of the past three conferences and nothing in the bylaws to govern the changes that had to be made, the Council agreed to keep the Treasurer's and Secretary's positions as they are and to elect Brad as president-elect from the team of 2023-2024. By the time ADM has its next in-person conference, it is hoped that some amendments to the association bylaws that will address some of the conference and council changes that had to be made since 2019 will have been drawn up, presented to the membership, and then voted on.

The remainder of the meeting was spent sharing ideas, answering questions, planning to have additional meetings frequently, and designing a **survey** to send out as soon as possible to gather information and thoughts from the current ADM email contacts.

### **ADM Survey to be sent out soon**

**ADM** needs your help! You will receive a copy of the newly designed survey very soon, and it is the hope of the Planning Council that you will take the time to respond to the few items and submit it as soon as possible. As ADM plans for involvement with next summer's GA and hopes for a 2024 conference, your opinions as a past, current, or future ADMer are vital.
