

# Short Congregational Assessment

## Stewardship of Land and property

Outside Space: What do you notice about the outdoor space? What are three things that you like or that surprises you? Is there something that concerns you?

How many trees are on the church/camp property? Do you know the names of any of these?

What kind of plants are on the property? Do you notice butterflies or pollinator insects?

Where is there water on the property? Where is the nearest creek?

Is there land or space that is utilized for God really well? Is there space that is underutilized?
