

# Disciples Women's Endowment Fund

*A grant for work that benefits women of the Christian Church (Disciples of Christ) denomination.*

## Guidelines

The Disciples Women's Endowment Fund (DWEF) was established in 1990 as the Women's Endowment Fund (WEF) to provide the opportunity to contribute to a permanent fund that supports both present and future work of women in the Christian Church (Disciples of Christ). This fund allows both the donor and the recipient the experience of making a tremendous impact in the shaping of the world through the work ministry work that is funded through DWEF. Through this fund, ministry work aimed at helping women is manifested as the love of Jesus Christ is spread throughout both congregations and communities. The funds are invested through the Christian Church Foundation to keep pace with inflation and produce a steady stream of income. Only the interest on the investments is used to support grant requests, and priority is given to ministry which benefits the entire women's network.
