

## Children's Art, Recreation, and Education C.A.R.E.

"For we are God's coworkers, working together; you are God's field, God's building. According to the grace of God given to me, like a wise master builder I laid a foundation, and someone else is building on it. Let each builder choose with care how to build on it."

— 1 Corinthians 3:9-10 NRSV

DHM is pleased to launch the Children's Art, Recreation, and Education Ministry Team (C.A.R.E.). They design online learning tools, downloadable resources, and in-person trainings for caregivers and congregational leaders of children across the Christian Church (Disciples of Christ). This special team brings to Disciples Home Missions an unprecedented style of shared work. Embodying community, these leaders are committed to designing resources that affirm, contextualize, and reach all children.

Off to a great start, their first two resources are the following:

- **C.A.R.E. Sundays** is a 12-week curriculum that centers on three Bible stories. Each story has four lessons to engage children and their faith communities within and around the church.
- **"Hey, Imago Dei!"** is a community engagement resource for churches and families to widen the gaze of children so they can see the vast number of ways our God shows up around us.
