VOCATIONS
Disciples Home Missions

Office of Christian Vocations

The vitality of Christian Vocations within the Christian Church (Disciples of Christ) is a focal point of ministry at Disciples Home Missions. Whether you are clergy or lay leadership, Disciples Home Missions wants to offer our partnership in your journey of faithfulness.

Our Programs

Search and Call

The Office of Search and Call supports, facilitates, and assists clergy, congregations, regions, and general ministries in the process of placing ministers in positions across the church. Ministers complete a ministerial profile to be considered for open positions within the Christian Church (Disciples of Christ). The Office follows the policies and best practices established by the General Commission on the Order of Ministry of the Christian Church (Disciples of Christ) in the United States and Canada.

Ministers Directory

We provide the essential service of maintaining the Ministers Directory and serve as the official repository for denominational clergy data. We work collaboratively with regions and the General

Commission on the Order of Ministry (GCOM) to ensure the accuracy of the information and encourage ministers to update their information by contacting their regional office and GCOM.

Disciples Chaplains and Other Specialized Ministries

Disciples Endorsed Chaplains are ordained or commissioned ministers serving in specialized ministries typically outside the walls of a local congregation in military or institutional contexts.

Disciples Interims

Disciples Interims is a program that offers training, support, and connections for ministers interested in interim service and builds a network of experienced and aspiring interim leaders.

OFFICE OF CHRISTIAN VOCATIONS

Scholarships and Clergy Continuing Education Grants

This program is made possible by generous donors and funds that are used as investments in students preparing for ministry in the Christian Church (Disciples of Christ) in the United States and Canada. It also supports ordained and commissioned clergy in their commitment to life-long learning.

Seminarian Scholarships - Applications are accepted between January 2 and March 15 for up to \$2,000 per year.

Clergy Continuing Education Grants - Applications are accepted between September 1 and October 31 for up to \$500 per year.
