

# Young Adult Ministry—KINECTIONS

A space for radical love, authentic voices, and collective action. We are the dreamers, the disrupters, the bridge-builders of a new church rising. Welcome to DHM Young Adult Kinnections—a bold, justice-centered ministry space where your truth is holy, your questions are sacred, and your presence changes everything.

## Who We Are

We are a collective of young adults within the Christian Church (Disciples of Christ) committed to radical inclusion, spiritual liberation, and meaningful community. We break out of boxes, challenge tradition, and co-create holy spaces in coffee shops, community centers, TikToks, Zoom rooms, and beyond.

We are theologians, healers, entrepreneurs, artists, organizers, and everyday folks finding God in the realness of life and in the resistance to oppression.

- **Wellness and Healing:** We hold space for grief, joy, rest, and mental health, honoring your full humanity
- **Liberation in Action:** We organize, advocate, protest, and dream into being a world where justice and equity reign
- **Entrepreneurial Spirit:** We support big ideas—from grassroots collectives to sustainable businesses—that challenge systems and empower people
- **Community Beyond Church Walls:** Our faith shows up wherever we do—on campus, on the block, and online

- **Leadership With Purpose:** We mentor, train, and walk with young adults as they grow into changemakers in ministry, the marketplace, and the movement

## What We Believe:

Faith should never be weaponized. Your story is sacred. And every person—no matter their past, pain, or path—deserves to be seen, held, and empowered. We are unapologetically inclusive, intentionally justice-rooted, and spiritually grounded.

## Our Invitation:

If you're looking for more than performance... If you want to heal, build, unlearn, reclaim, and be part of a movement that believes another world is possible—this is your place. Let's Build. Let's Heal. Let's Transform—Together.
