Disciples Youth Ministry

Disciples Youth Ministry is a bold and vibrant ministry within the Christian Church (DOC), celebrating youth as theologians, leaders, and essential voices in our intergenerational faith movement. Through worship, advocacy, storytelling, and creative exploration, we nurture spaces where young people can ask big questions, grow in their spiritual gifts, and lead with courage and compassion.

Faith That Breathes. Faith That Builds. Faith That Belongs.

At Disciples Home Missions Youth, we're not here to fit into a mold—we're here to reimagine what faith can look like in a world crying out for justice, love, and belonging.

We are a vibrant movement of middle and high school youth who are becoming spiritual disruptors, truth-tellers, and peacemakers rooted in the radical love of Jesus.

We are not the sidelines of the church—we are the spark. We are a generation rising up with big questions, deeper hope, and the courage to stand up for what's right.

DISCIPLES YOUTH MINISTRY

What We're About:

- Creating real conversations that affirm identity, culture, and purpose
- Equipping youth to challenge injustice with wisdom, courage, and community
- Building spaces where all are seen, valued, and safe—no matter their race, gender identity, orientation, or background
- Offering spiritual tools and practices to deepen connection with God and self
- Uplifting youth ministers and adult allies with tools to build bold ministries

Our Promise:

We're here to walk with you. To remind you that your voice matters. That your questions are holy. That faith is not about perfection—it's about showing up, speaking out, and shining your light.

Together, we are creating a world where youth don't just grow up in the church—they grow into who God created them to be.

"We are dreamers and doers, advocates and allies, seekers and sojourners—all journeying together toward a deeper understanding of God, self, and community."
